About Whānau

Whānau, pronounced Far-No, is the Māori word for an extended family or community of families. A word that embodies the proud connection to our Māori heritage.

We are not just another out of the box kit supplier. We understand first hand how important professional technical kit is and we bring that knowledge to

your grassroots club with an honest, in depth consultancy service that ensures you get the best kit for YOUR team.

When you join the Whānau family you have our promise of unrivalled service and quality with a full range of kit that gives your team a unique presence, on and off the field.

About Kaha

Kaha, the Māori word for 'strength', is our range of training and off-field kit. There are seven original designs to choose from which can be customised with your team colours and badge.

Sizing

We know that sizing can be confusing and that everyone has their own fit preferences. The chart opposite is a good starting guide but there's no substitute for trying things on. If you're unsure please let us know and we can provide sample sizes for you to try on.

Note that all of our Kaha range is a unisex fit with the exception of our Gilet which is available in a men's and women's fit.
